ASSIGNMENT OF PATENT

This Assignment of Patent is made this 16th day of February, 2005 by Gordon Langford having an address of 3250 South Probst Lane, Heber City, Utah 84032 ("Assignor") in favor of Genoa LLC, a Utah Limited Liability Company, having an address of 47 East 7200 South Suite #201, Midvale Utah 84047("Assignee").

WHEREAS, Assignor has invented certain new and useful improvements in and relating to MAGNETIC VISUAL DISPLAY DISPLAY for which Assignor has applied for and been granted United States Patents No. 5,018,979 dated November 16, 1989, No. 5,112,229 dated March 13, 1991 and United States Patents No. 5,295,837 dated May 7, 1992 and United States Patent Application Serial 10/618,123 filed July 11, 2003 entitled MAGNETICALLY RESPONSIVE IMAGING SYSTEM WITH DISPLAY (collectively and together with related patents pending, the 'Patents'); and

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest in and to said invention and in and to the Patents.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that for and in consideration of the sum of One Dollar (\$1.00) paid to Assignor, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the entire right, title and interest in and to the Patents and in and to any and all divisions and continuations thereof, and in and to any and all Letter Patent of the United States of America that may be granted upon any associated application or divisional or continuing application or applications, and any and all reissues of Letters Patent issuing from said application or applications as well as all applications as well as all applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States of America, and all Letters Patent which may be granted for said improvement in any country or countries foreign to the United States of America on all extensions, renewals, and reissues thereof, are hereby sold, assigned, transferred and set over to the said Assignee by the Assignor, and the Commissioner of Patents and Trademarks of the United States of America is hereby authorized and Requested to issue the Patents to the Assignee and the entire right, title and interest thereon for the Assignee's own use and for the use and behoove of the Assignee's successors, legal representatives and assigns.

And it is the covenant of the Assignor that no assignment or agreement has been heretofore entered into or executed by the Assignor in conflict with this assignment and sale.

And it is further covenanted and agreed that the Assignor and the legal representatives or heirs of the Assignor will upon request promptly execute and deliver to the said Assignee, its successors, legal representatives or assigns, all papers or instruments in writing requisite for the filing and prosecution of any matter related to the Patents and related subject matter transferred hereby; the expense incident to the preparation, filing and prosecution of any application or

applications herein set forth, and for the preparation of any and all papers, instruments or affidavits to be borne and paid for by the said Assignee, its successors, legal representatives or assigns.

And it is further covenanted and agreed by the Assignor that the Assignor and the legal representative or heirs of the Assignor will at any time promptly communicate to the said Assignee, its successors, assigns and other legal representatives such facts relating to the said inventions and Patents or to the history thereof as may be known and accessible to the undersigned and will testify as to the same in any interference proceedings or other litigation when requested so to do, and will, promptly execute and deliver to the said Assignee or the successors, assigns, or other legal representatives of the Assignee any and all papers, instruments or affidavits required to vest the entire right, title and interest in and to the improvements and the aforesaid Patents resulting therefrom and will execute any and all papers, instruments or affidavits required in any interference or other legal proceedings in which the aforesaid applications or Letters Patent resulting therefrom may become involved.

IN WITNESS WHEREOF, the Assignor has executed this Assignment of Patent on the date first above written.
